GRIEVANCE PROCEDURE

- A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problem which may arise affecting the terms and conditions of employment under this Agreement.
- B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Township. Nothing contained herein shall prohibit the parties from raising a timeliness under this Article.
- C. With regard to employee, the term "grievance" as used herein, means an appeal by an individual employee or group of employees, from the interpretation, application or violations of this Agreement. With regard to the Employer, the term "grievance" as used herein, means a complaint or controversy of the negotiable terms and conditions of this Agreement.
- D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent in writing:

Step 1: The Union shall institute written action under the provisions here of within five (5) work days after the event giving rise to the grievance occurred, or when the employee knew or should have reasonably known that a grievance should be filed, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate supervisor for the purpose of resolving the matter informally. The written

grievance at this step shall contain relevant facts and a summary of any proceeding oral discussion, the applicable Section of this contract violated, and the remedy requested by the grievant. The immediate supervisor or his/her designated representative will answer the grievance in writing within ten (10) work days of receipt of the written grievance. Failure to act in writing within said ten (10) work days shall be deemed to constitute an abandonment of the grievance.

Step 2: If the Union wishes to appeal the immediate supervisor's decision, it shall be presented in writing to the Chief of Police within five (5) working days after the immediate supervisor's response is due. The Chief shall respond in writing to the Union President or designated representative within ten (10) working days of receipt of the grievance. Failure to respond within ten (10) days shall be construed as a negative response.

Step 3: If the Union wishes to appeal the Chief of Police's decision, it shall be presented in writing to the Public Safety Director/Business Administrator within ten (10) working days after the immediate supervisor's response is due. The Public Safety Director/Business Administrator shall respond in writing to the Union President or designated representative within twenty (20) working days. Failure to respond within twenty (20) days shall be construed as a negative response.

Step 4: If the grievance is still unsettled, the Union may, within fifteen (15) days after the reply of the Public Safety Director/Business

Administrator is due, by written notice to the Business Administrator, proceed to arbitration. The decision of the arbitrator shall be in writing and shall be rendered within thirty (30) days and such decision shall be final and binding on both parties. The following procedure will be used to secure the services of an arbitrator:

1. A representative of the Township and a representative of the Union will attempt to select a mutually satisfactory arbitrator.
2. If they are unable to do so within ten (10) days after the Public Safety Director/Business Administrator was notified of the Union's decision to go to arbitration, a request will be made to the New Jersey Public Employment Relations Commission.
3. Expenses for the arbitrator's services and the proceedings shall be borne equally by the Township and the Union.
4. The Union will notify the Township in writing of the names of its employees who are designated by the Union to represent employees under the grievance procedure. Such employees so designated by the Union will be permitted to confer with other Union representatives, employees and with Township representatives regarding matters of employee representation during working hours without loss of pay provided, however, all employees shall secure the permission of their immediate supervisor, which permission shall not be unreasonably denied.

- E. Upon prior notice and authorization of the Public Safety Director/Business Administrator, the designated Union Representative shall be permitted as a member of the Grievance Committee to confer with employees and the Employer on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the employer or require the recall of off-duty employees.
- F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed hereunder, then the disposition of the grievance at the last proceeding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for proceeding the grievance at any step in the grievance procedure.

Once lump sum payments begin, any days actually utilized for sick time will be unpaid days.
- B. Employees who must utilize a sick day must notify his/her immediate supervisor as soon as possible, but no later than one hour before the start of his/her daily schedule.

An employee's failure to notify his/her immediate supervisor as mentioned in the preceding paragraph will be cause for denial of the use of sick leave for that absence.

- C. Sick leave is to be utilized only in the case of an employee's illness. Verification of an employee's illness may be required by the Township.

5. An employee promoted or transferred to other than bargaining unit work may return to the bargaining unit upon agreement by the Union and the Township, provided there is job vacancy. The employee will return without loss of continuous service credits, but he will not accrue seniority while out of bargaining unit.
